Better Vision Membership Plan

Great eyesight can begin with glasses and contacts, yet it is our brain's process that produces excellent vision. Dr's Lentfer and Kompkoff have spent many years refining their 'full visual process' which results in top quality vision care with amazing results.

Get the very best in vision care through our affordable membership plan!

TIME TO CARE

No assembly line vision care found here. You benefit from our advanced neurological training and the quality time we take in assessing your vision needs.

ADVANCED TECHNOLOGY

Experience superior assessment technology and lenses that allow you to see better, live better, and perform better.

EUROPEAN STYLE

Membership provides affordable style with 20% off our wide selection of unique, handcrafted frames from Europe.
